

Innovative Solutions to Complex Problems

Industrial Contracting

Industrial contracting is an AME, Inc. specialty. We offer a unique program of construction capabilities and trade experience. Whether the focus of your project is schedule driven, budget driven, or requires the ability to adapt to challenging site restrictions — we can deliver.

Our strength lies in our proven ability to provide today's demanding industrial marketplace with innovative, economical solutions to complex construction problems.

◆ Capabilities

- Complete facility expansions
- Process & building retrofit
- Pre-engineered metal buildings
- Specialty foundations, deep excavations & shoring
- Mass/precision concrete (pits, trenches & machinery foundations)
- Miscellaneous steel erection & modification
- Equipment installations
- Precision alignment
