AME, Inc. was formed in 1960 as a heavy rigging and plant relocation specialist, and since that date, our company has grown steadily to encompass many new capabilities.

We provide first quality general and industrial contracting, precision concrete, equipment installations, plant relocations, crane rentals and specialty metal fabrication. All of our services are delivered with the same exacting attention to quality, safety, timeliness, and customer service that has characterized AME, Inc. from the beginning.

Our reputation is derived from our pride in workmanship, our honesty in doing business, our respect for long-term relationships, and our more than 40 year history of excellence in performance and reliability. When you place your trust in us, we will deliver.

AME, Inc. would appreciate the opportunity to do for you, what we have been able to do for our many satisfied clients — save you time, money, and effort on your important projects.

Member in good standing:

- Association of General Contractors (A.G.C.)
- Specialized Carrier & Riggers Association (S.C.R.A.)
- Association of Facilities Engineers (A.F.E.)
